

JAPAN AUSTRALIA MEETING ON CELL DEATH

WHEN

21-23 October 2015

WHERE

The Walter & Eliza Hall Institute,
Melbourne

We are holding an international meeting on Cell Death in Melbourne.

The vibe will be lively with as many speakers as possible at all levels (lab heads, post-docs & PhDs).

We have organised an active social program with an emphasis on promoting scientific interactions in a relaxed environment.

Come along – we'll be glad to welcome you and keen to hear about your science!

Sessions will cover Apoptosis, Inflammation, Immunity, Necroptosis, Autophagy, Pyroptosis, Cell Death & the clinic, Cell Death and the pharmaceutical industry.
